Dear Eng. Bashar,

We are glad to inform you that as per our sequence of Material Committee review meetings / assessment **HERZ - VALVES** pre-qualification documents are in line with our quality standards / procedures WRAS/ISO/QCS2014/QCDD and found to be complied/ contented.

We do not have objection on HERZ Valves and we will endorse your Product/material/details in our preferred vendor list in current and future projects of AEB as long as you maintain the high quality of the products /materials/system and the support services expected.

Note:

- 1) **HERZ Valves *Approved-Manufacture & Origin from Austria only.***
- 2) For more Satisfaction & Trust in terms of material Quality/Production & Manufacturing Facility, we also willing to see the factory setup, hence inform us if you have any plan/schedule in coming months.

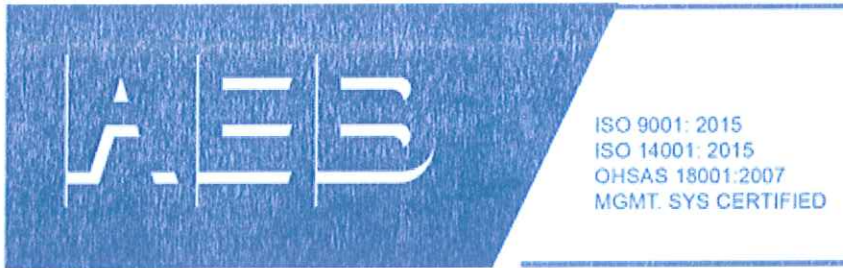

Please be informed that AEB are not giving any certificate or Letter for the prequalification approvals and only through emails.

Kind regards,

Mohammad Shad - MASHRAE

Dear Eng. Mohammed Shad

Please note below Herz response.

After our Material Committee members review, we need further clarifications/required documents for AEB final approval.

comments as follows;

1. WRAS certificates issued from WRAS written Herz UK ltd and reliance water control Ltd and not mentioning the Austrian company name or address supposed to be. This is needs to be clarified - **HERZ Valves UK is our subsidiary at UK and Reliance Water Control is our Partner at UK. Since WRAS is a UK agencies we obtained WRAS approvals for some our products through them. All the guarantees and other terms are under HERZ Armaturen, Austria.**
2. Ensure the Mode of delivery /shipment to Qatar. - **Mode of Shipment shall be Sea or Air directly from Vienna to Qatar**
3. Clarification on the Herzs letter issued to IGT regarding the validity – **Authorization letter is issued to IGT for agreed period which shall be renewed on expiry.**

Thanks & Best Regards,
